**\$150\*:** Supports a **Voices of Singapore Community Chorus singer** for 8-10 weeks of choral singing and performance opportunities. In this non-auditioned adult choir, singers with all levels of musical knowledge are provided with training in vocal technique, as well as singing in harmony.

**\$400\*:** Supports a **Voices of Singapore Ladies Choir singer** for 1 year of choral singing and performance opportunities. In this semi-professional choir, singers are equipped with vocal technique training, with exciting performance opportunities in a small ensemble.

**\$500/600\*:** Supports a **Voices of Singapore Children's Choir singer** for 1 term of choral training programmes and rehearsals, where a team of experienced choral pedagogues will touch on vocal technique, breath control, musicianship and other important aspects of singing to nurture and develop young talented singers.

**\$200\*:** Supports a **VOS Music-making Programme participant** for 1 season of musical sessions that explore musical concepts such as rhythm and dynamics. Curated for special children, the programme is led by choral pedagogues who have studied Music Pedagogy based on the Kodaly philosophy and approach to music education which integrates music and movement.
